ORDER

On August 4, 2014, Louisville Gas and Electric Company and Kentucky Utilities Company (collectively "Joint Movants") filed a motion requesting the Commission to extend its delay of the issuance of a procedural schedule in this case until after the August 12, 2014 informal conference in the related Case No. 2014-00002.¹ In support of their motion, Joint Movants note that, pursuant to the Commission's Order of May 5, 2014, in Case No. 2014-00002, the procedural schedule in that matter was placed in abeyance for a 90-day period and scheduled an informal conference for August 7, 2014. Joint Movants further note that, pursuant to the Commission's June 2, 2014 Order in the case at bar, the Commission delayed issuing a procedural schedule until after the expiration of the abeyance period in Case No. 2014-00002. Lastly, Joint Movants state that the August 7, 2014 informal conference in Case No. 2014-00002 was subsequently rescheduled to August 12, 2014, which is beyond the 90-day abeyance period. Joint

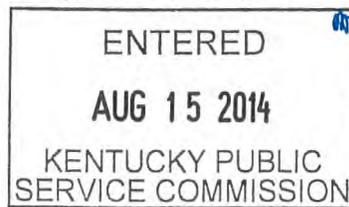

¹ Case No. 2014-00002, Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Certificates of Public Convenience and Necessity for the Construction of a Combined Cycle Combustion Turbine at the Green River Generating Station and a Solar Photovoltaic Facility at the E.W. Brown Generating Station (Ky. PSC filed Jan. 17, 2014).

Movants, out of an abundance of caution and to ensure no timing complications in the procedure of this matter, request that the 90-day abeyance period be extended until after the August 12, 2014 informal conference. Joint Movants assert that such an extension would allow the Commission to establish a procedural schedule that would be efficient and consistent with the procedural schedule to be issued in Case No. 2014-00002.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Joint Movants have established good cause to extend the delay in issuing a procedural schedule until after the August 12, 2014 informal conference in Case No. 2014-00002.

IT IS THEREFORE ORDERED that Joint Movants' motion to extend the delay of issuance of procedural schedule is granted.
